Perfect size, right blend of info on neighborhood specifics and broader Taiwan cultural and travel tips.

This guide was absolutely SPOT on. It was the only one we needed for our short trip - this writer was accurate and knowledgeable. It is surprising that my friend has been there so many times for months on end, even she was surprised.

Extremely accurate and useful. Used it every day on my trip.

There aren't many guides out there that are specifically about Taipei. (I've been trying to read as many as possible in prep for an upcoming trip. A good and easy guide to read, and lots of good info. I feel somewhat prepared now. I do wish that it included some of the outlying areas of Taipei (Taoyuan, Tamsui, Bali etc). I can see why it doesn't, as there have to be limits on a pocket guide, but still... I feel like there are geographic holes in my understanding that I was hoping that this book would cover.
