Shipping Weight: 6.8 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #627,529 in Books (See Top 100 in Books) #153 in Books > Arts & Photography > Music > Musical Genres > Soul

Customer Reviews

This book is a wonderful, long-overdue piece of work on a genre of music that has been woefully neglected by popular music historians: the roots of modern R&B. The scope of the work is breathtaking enough, but I've been assured that even this is simply the tip of the iceberg. Dave Moore and Jason Thornton have put together a labor of love that rivals that of the best of college textbooks. It's gratifying to know that now - finally - the work of the early R&B artists and labels is getting its due.

Excellent book! Was worth waiting for.

Excellent book!!! very happy to have purchased it!
