To many benefiting to this study!! Thanks for all you do.

A wonderful book on healing from the inside.

Practical, Excellent,Makes me hopeful. I feel better already. Thank you.

I like the general ideas suggested and have been putting them into practice with amazing results. What I didn't like were all the typos and missed words. I found myself screaming, "where is your proofreader"?

Psoriasis is not an issue for me, but I know people who suffer from it. It must be pretty devastating considering the length some people go through to treat their condition. I've seen drugs for this ailment which have fatal side effects! That seems pretty extreme for a condition which is not fatal. This concise book is packed with information that can be used by anybody. Since one treatment won't help everybody, this book contains numerous suggestions that may aid relief.
