Customer Reviews

I'm a big Dolce fan, not from his TV appearances or anything, but I listen to his podcast religiously. He's sharp, experienced and best of all, throws the political correct BS out the window. I got this book to see what it was all about, and as an ex wrestler it gave me flashbacks to doing jumping jacks in a rubber suit in a sauna while spitting chewing tobacco to make weight. I only wish I had access to this info when I needed to cut weight. If you're really a weight class athlete or want to look cut for a certain date, event, etc, this book is quite impressive. Mike is not reinventing the wheel here but his methods challenge the old beat up methods of cutting. This book is meant for the short term but given the popularity of these "30 day" type programs that promise to pack on muscle and burn all the fat off your body, it's very important to not include this book in the same category. This book WILL NOT make you bigger, it will not pack on muscle, heck it won't even tell you what to do after your event is over (I think Living Lean takes that in). It will however take a much less painful approach to regulating how much water your body retains, which is a very significant factor between looking good and looking lean and dry (shredded). I'm going to start the 30 days and will edit my review when I finish it up.

Great book to get to lose weight and feel great. Initially, I did lose weight with The Living Lean Diet. In order to fully get the results you got to buy into the program and core concepts. It's tough, but with preparation, you can really go into it full guns ablaze and burn the weight off no problem. Trust Dolce. Just Trust Dolce...

Amazing! The information is more than incredible!! His book's have helped me so much with my fight career! Highly recommended.

Good beginner guide on how to manage cooking and nutrition while living in a residence hall

The dolce diet is the best thing for becoming a healthy person. I went from a 308 pound college offensive lineman to a 245 pound healthy individual through the dolce diet principles. Just finished reading 3w2s and can't wait to start this awesome weight cut

Dolce makes cutting and losing weight easy. After reading the book he makes you feel like you can do everything in the book and the truth is ...YOU CAN! Easier than I ever thought and I have the results to back it up!

Earth Grown Nutrients, proper form, hard work, smart work, correct decisions.. Dolce Does it best. Living Lean is AWESOME also... Using this as a young football player.. Going to start on 3 weeks to shredded tomorrow!
