I saw this at a bookstore but bought it on for obvious price differences. This comes with a nice metro map and other maps for the city. I love that it also shows major parisian neighborhoods. Makes it so much easier for planning and understanding about where things are. Will bring this one on the trip next month. I think this will be a great purse-book.

I love this series. Bought Top 10 in Paris for our kids after using Top 10 in Boston and Top 10 in Yellowstone. Great guides for spending several days in one place.

These books are well organized and give you a picture of the city and its attractions. Love this series

Excellent book, easily on a par with Ric Steves travel books.

It was very handy while we were in Paris.

This will be the book I take to Paris. Has street and Metro maps. Great introduction to Parisian culture. Another winner from Eyewitness.

I loved this book. On my recent trip to Paris it was my daily companion and loved the restaurant and shopping suggestions. The small map and metro map were terrific

Love the layout!
