# A Love To Last Forever (The Brides Of Gallatin County Book #2)

## Synopsis

All Beth Gallatin has really wanted out of life is to settle down in one town, with one man, and raise a family. But with her father's roaming ways, she's always been denied that dream; instead, she found solace in reading romantic books. With her father's passing, she can, for the first time, dare to claim the rugged Montana frontier as her home. Nick Lassiter has loved Beth since she first came to town, but she's always seemed to think of him more as a brother. Just when he finally gets Beth to consider him, however, a challenger threatens the affection growing between them. But neither Nick nor Beth is prepared when they must face the consequences of Nick's complicated past. As a past fraught with unwise choices and guilt invades their world, can Nick and Beth find a love that will last forever?

## Customer Reviews

This is the continuation of The Brides of Gallatin. I enjoyed the second one even more than the first.

I love that we are seeing the life of each sister as she contemplates how the town is growing and whether to stay or leave. Great storyline, You can't go wrong with Tracie Peterson books.

I love Tracie Peterson's books. A Love to Last Forever, book in series of Brides of Gallatin Co0unty, was as good as the first. The time period comes alive. I feel I get a glimpse to the past. I love Christian fiction and Tracie Peterson's books never fail me.

Thoroughly enjoyed this book. I purchased all three books in the series. Each one was as good as the last.

Definitely not my favorite series, but it's hard to put my finger on why.

With Beth as the main focus of Book Two in the series, the stories begun in Book One continue!!!! Can't wait to read Book Three and find out where everyone settles, who started the fire and will Pa Gallatin's killer ever be found out! Great characters, excellent plotline and the added history and scenery just adds to an overall wonderful read!!!

I loved this three book series.

Beth's story was the book that left, both, myself and my daughter (who is 30 something) actually wanting more and looking very forward to reading the 3rd and final book. She struggles throughout much of the book trying to decide who she wants to fall in love with whether it is Nick who has been in her life for many years or Adrian, who is new. Definitely, the reader throughout the story is pulling for Nick and is pleased with her choice ... she is also struggling with the many moves her father has had them do throughout their lives and the fear of future moves that will continue to plague her through out the 3rd book in the series. This book also deals with the fact that she at first is searching in Dime Store novels for the answers to her questions when the answers of course, are to be found in the Bible. It is a good book, in fact a very good book but not a fabulous book ... is it a book I would read again ... a series I would read again .. Yes ... both I and my daughter (even with our 25 year age span) enjoyed them all and would definitely recommend them all! Read this and then go on to Lacy's story in the final Book Three!

Love this story. How the Lord Jesus is always with us through our trials and how he turns something

evil ment for our harm and brings good out of it. God precious healing of our hearts mind and soul.
