8 Places In Amsterdam You Have To Visit

Synopsis

Special Summer 2013 sale: Who can better share secrets about Amsterdam than somebody who was born in Amsterdam and spent most of his life there enjoying its richness? This short book is about 8 places I will definitely visit again when I go back to Amsterdam. For each location, I write a small blurb, as well as post a photo and a map location. Do not expect to find pages and pages on the same topic, as I write straight to the point, and want you to experience my favourite places by yourself without being influenced by my thoughts and thrills. Some of the places I write about are often forgotten or left out of mainstream travel guides. This makes them not less interesting. On the contrary, these are places I always recommend to friends who ask about Amsterdam.
