## Customer Reviews

It would be nice to classify the recipes as "entrees", "deserts", "relishes", etc. Have not tried the recipes yet; I look forward to trying many. They all seem easy to make. Many are variations of the same. Also, the ingredients are the same in many recipes - no variety. Maybe that's Russian

Babushka cooking?

I am cooking from this book and finding that the recipes really come together. Instructions make sense and the soups are especially interesting. Also, there are varieties of sour cream dishes to try.
