Splat's class is going on a field trip to the ice-cream factory. He thinks he's going to eat a mountain of ice cream! But when that mountain turns out to be more of an avalanche, it's up to Splat and his classmates to save the day!

Would prefer a set of these as opposed to individual volumes. This is a favorite among the different Splat I Can Read books. One star off for the set issue.

It is good

My toddler loves Splat so I got her this book. It falls short in my opinion due to too much cheesy rhyming and not enough flow. I really don't like reading it to her and she is not very impressed. She likes the pictures though!

Perfect for my son who is 6 and is in the first grade. He loves these simple reading books & I love that it entertains him enough. Shipping was fast and easy! :)

My great grandson is learning to read. He enjoys the book which encourages him to read.

My granddaughter loves these books. they are easy for her to read.

good book thank you

Great book for any child trying to learn to read.....
