Great for small group study

Hamilton's guides always have good questions to begin discussions

Good study guide.

It was easy to understand and to follow. Good help with planning strategies.

Perfect guide for teaching or for enhancing your own study of the book.

This really wasn't as helpful as I hoped it would be. I was more comfortable making my own plans and questions.

Love it this will be added to my library and I will continue to reread. Adam has done his research well. Thanks.

Made a mistake and ordered the Leader's Guide which I didn't want
