Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." — Chicago Tribune
"The best option | Color photos, maps, and diagrams bring the place to life." — The Philadelphia Inquirer

This book is an excellent choice if you want to get an overview of what to see in Canada and where the different sites are located. The book's innumerable photographs are very pretty, but to my mind, its standout feature is its many maps, which give an excellent idea of the layout of cities and areas and where the sites of interest are in relation to each other. There don't seem to be many tourist guidebooks that cover all of Canada, and this is probably the best of them; it's certainly infinitely superior to the Worldwide Travelers one, which tells you almost nothing. Introduction is the operative word, however: to plan a trip to Canada in any detail, you will also need to buy region-specific guides such as the Fodor ones or do further research online, because the DK book provides no information on such things as hotels. This is not surprising, given the huge area the book covers, but I could wish for somewhat fewer photographs (though I realize that those are one of the specialties of this series) and more information.

Just went on a 2-leg Canada trip - first visit. This guide (as all DK do) delivers an excellent background and wonderful overview of this beautiful country. Highly recommended.

really like this one. took it with me for the canada trip. excellent book. nice photos

Item as described with very prompt delivery

The usual wonderful job of DK Eyewitness guides--thorough, beautiful pictures, wonderful suggestions for travel.

Always good

DK travelling book is always my favorite. Best quality, detailed information.

GREAT EASY TO READ BOOK LOVE IT!
