Customer Reviews

Great intro.

If you plan on a Mediterranean cruise this year, don't leave home without a Blue Guide. Other guide books recommend more restaurants, nightclubs, and trendy shops. If you really want to get to know as much as you can about a place in a short amount of time, however, you can't beat the Blue Guides. This one is as excellent as all the others. Wear your sunblock and have a great time.

Totally superficial.
