Prayers

Synopsis

The Prayers book is several things. It is a guide to salvation for those who have not been born again. It teaches relationship with the Lord, verses just being good or religious. It also teaches on what to expect as a Christian, how to pray, drawing near to God, and how you can and should grow as a Christian. This is followed by prayers on many various topics which are written from the perspective that God is all powerful, that the scriptures are inerrant, and that the Word of God is alive and powerful. We believe that those who have faith in God and have been saved by the blood of Jesus can pray these prayers and expect to have what they have prayed for, whether it be forgiveness of sin, healing, deliverance from bondage, or any prayer that is in line with the truth of God's word. Thousands of people have testified to the blessings they have received from this book. To date we have mailed out over 2 million copies, have had 280,000 copies downloaded from the internet, and have had over 500,000 hits on our mobile download site.

Customer Reviews

This prayer book is very helpful. It has prayers for every need in your life. It help you learn how to

pray the right prayer for yourself, family and friends. Helps you to grow spiritual. It's a blessing. I recommend this prayer book to any one that don't know how to pray or words to use when you pray.

One of, if not the best books of prayer out there. The app does not have all the prayers that are in the book itself, but just knowing that I can pull up some prayers via the app is awesome.

How could it not be 5 stars

This book covers every circumstance and allows you to continue to expound on them and personalize them for yourself and those on your prayer list.

Highly anointing book of prayers. If you're looking for prayers to cover every aspect of daily living, this is a must read. Full of spiritual power

This is a book straight from scripture, pulling together God's wisdom in effectual prayer. It also contains great testimony of our Lords love for us.

Other than the Holy Bible this book is a must have for anybody who is going through anything in their life. I bought the digital copy of this book because I wore my paperback copy out using it so much.

This is my favorite prayer book. So much is praying scriptures, but put together so beautifully. It never fails to bring me closer to the LORD, especially when I'm still all sleepy in the morning, not sure where to open the scriptures to, and still feel kind of disoriented. Then I open the prayer book, pick a prayer and the Holy Spirit takes over, better than a triple shot of espresso! Within minutes I'm ready to continue to pursue the Lord on my own, letting Him guide me through His Word. You can't go wrong getting it!!!
