## Customer Reviews

Brown delivers a much-needed resource to Christians. He offers well-researched, thoughtful, biblical responses to difficult questions that arise when Christians share Yeshua (Jesus) with Jews.... Brown doesn't shy away from challenging subjects such as anti-missionary efforts and the Holocaust. As a result, the material is engaging and convicting. This soul-winning tool is written with a perfect blend of passion, wisdom, and revelation. It's ideal for readers wanting to reach Jewish family members, friends, or coworkers. It's also a must-have for anyone interested in understanding Christianity's Jewish roots. Highly recommend it. -- CBA Marketplace, January 2000  
Michael Brown's work in the area of Jewish apologetics is the most thorough and penetrating I have seen. There is no doubt in my mind that this work will make a major contribution to the ongoing discussion and will, in fact, set the standard in the field -- Richard Averbeck, associate professor, Old Testament and Semitic Languages, Trinity Evangelical Divinity School  
Michael Brown's thinking is incisive and to the point. His ability to explain so that anyone can understand is amazing. He will surely be acclaimed as the new expert in Jewish Christian apologetics. I would be happy to recommend his much needed book to anyone -- Moishe Rosen, founder, Jews for Jesus

We desperately need this book! -- Sid Roth, founder and president, Messianic Vision

Michael L. Brown (Ph.D., Near Eastern Languages and Literature, New York University) is president of the Brownsville Revival School of Ministry in Pensacola, Florida. He has also served as a visiting professor at Trinity Evangelical Divinity School and Fuller Theological Seminary.

The entire series of books by this author are about as good as it gets if you want to (somehow) present the Good News of the Jewish Jesus to your Jewish friends. Or if you are Jewish, you might be curious to know what someone who grew up in Judaism but discovered the beauty of Jesus' message has to say in defense of Jesus and how that can change your life for better.

Main point is that you CAN (and should) remain a Jew. even as a Messianic Jew.

Very well written. Easy to navigate.

Michael Brown writes to the very point. His answers are clear, free of emotional bias except a heart for Israel and the Jewish people, and based on Scripture.

Everyone who calls himself or herself "Christian" should be educated by this book and the others in the series. This will, most-definitely, provide reasons why you believe and a defense for Jesus being the Messiah.

This is the introductory volume to a very thorough and tough-minded series on Messianic apologetics. Dr. Brown is a Jewish believer and brings his own Messianic (Jewish-Christian) perspective to this study. His approach isn't so much to tell the reader what his conclusions should be, but rather to provide the reader with the tools to come to his own conclusions--and I personally like that approach. Bottom line: this is an outstanding piece of work!

This book was awesome. A most read for those looking for truth!

The book (Answering Jewish objections to Jesus) (purchased at .com) gives a detailed account of the objections that the Jewish population and a lot of other faiths have to JESUS! It also answers why those objections are almost all if not all incorrect or unfounded, and this was all written by a man raised and educated in the Jewish faith. I and my wife both very much appreciate what the book had to tell us.
