For courses in Social Problems Researching, Analyzing, and Understanding U.S. Social Issues Introduction to Social Problems explores the many social issues that continue to plague the United States. Discussing and analyzing the extent and nature of various problems and their potential solutions, the book stands as a guidepost for people with an interest in helping • professions • sociologists, educators, social workers, etc. Through a sociological lens, students are able to gauge recurrent social issues and examine the benefits and possibilities of solutions. The Tenth Edition teaches students to apply research and knowledge to solve some of our nation’s most crippling problems. Also available with MySocLab MySocLab for Social Problems courses extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they’ve learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an eText. Introduction to Social Problems, Tenth Edition is also available via REVEL, an immersive learning experience designed for the way today’s students read, think, and learn.

Thomas J. Sullivan is Professor Emeritus of Sociology and Social Work at Northern Michigan University, specializing in social psychology, research methods, applied sociology, and medical sociology. He earned his undergraduate degree in sociology from San Francisco State University and his M.A. and Ph.D. in sociology from the University of California at Santa Barbara. He is the author of Sociology: Concepts and Applications in a Diverse World, 8th ed. (Allyn & Bacon, 2009), Methods of Social Research (Wadsworth, 2001), and Applied Sociology: Research and Critical Thinking (Allyn & Bacon, 1992); he is the co-author of Applied Social Research: Tool for the Human Services, 9th ed. (Brooks/Cole Cengage Learning, 2014). Sullivan has published articles in Social Science and Medicine and Humboldt Journal of Social Relations. His applied research has focused on evaluation research of social service delivery in elementary schools and of teen pregnancy prevention and intervention services. He has served in various elected and appointed positions for the American Sociological Association, the Society for Applied Sociology, and the Midwest Sociological Society.

Professors Keep Using This Edition! Easy to follow, easy to read. Has terms and key phrases highlighted at the end of each chapter. Explains concepts very well. Used this book or Sociology 002. Got an A.

Came in good condition

As a sociology major, this was a great book. Any student needs to put in the effort to absorb material, but the way the information is presented here makes it very pleasurable to learn from this book.

This textbook did meet my expectations and I learned and gained knowledge about what a social problem is.

Great book.
