Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Good music and arrangements. Two negatives. The first, the book is too large to copy a page on a standard 8.5 x 11 copier. I play guitar, so turning pages while playing live is not practical. I copy the pages for myself so I can lay them out on the music stands. Unfortunately on a standard 8.5 x 11 copier (i.e. PC all in one printer), the page is too big and either cuts off the chords at the top or the base line at the bottom. This leads to the second negative, the music is spread out on too many pages. The music could be a little smaller font and a bit more condensed getting most songs down to 4 or 5 pages.

My daughter absolutely loves this. She's been playing piano for 7 years and loves this book and gets into it almost every single day. She has heard and loved many of the songs in it before and has always been wishing she could play those songs. Now she does and even enjoys changing them up a bit. Some of the pieces may require a bit of practice before you can execute them properly but they shouldn't be too difficult for an intermediate pianist. Enjoy it and keep it. Even if you are a beginner, as long as you keep improving, most of the pieces in there should be reachable in time.

Very good selection of praise and worship music. All of my favorites are in here. Some of the chords are a bit difficult for an advanced beginner like me, but fun to try to play. If you are into this type of music, this book is a must.

I ordered this book and it does have the Praise and Worship songs. Unfortunately if you are a pianist you have to turn pages not just once but sometimes three times. This is just annoying and if you copy them you have multiple sheet laid out on a piano or organ that you have to somehow connect so they don't fall down. Over all I would not recommend this book if you are a pianist.

This is great because you get a ton of songs without having so many loose pages everywhere.

This is a lovely book full of MANY beautiful Christian songs (many on the older side, some on the newer). I will admit that this sheet music was not as difficult as I had hoped, but still in the intermediate range. The main melody is played in the music, so these can be stand alone pieces or you can sing along. I am very glad to have this book in my collection.

This book, "The Best Praise and Worship Songs Ever" has piano accompaniment to 80 songs: Above All, Agnus Dei, All Things Are Possible, Ancient of Days, As the Deer, Awesome God, Be Glorified, Be Unto Your Name, Better Is One Day, Breathe, Celebrate Jesus, Change My Heart Oh God, Come Into His Presence, Come Now is the Time to Worship, Create in Me a Clean Heart, Cry of My Heart, Days of Elijah, Did you Feel the Mountains Tremble, Draw Me Close, Enough, Every Move I Make, Firm Foundation, Forever, Give Thanks, Glorify Thy Name, God Is Good All The Time, God of Wonders, Great Is the Lord, Hallelujah (Your Love Is Amazing), He Has Made Me Glad, He Is Exalted, The Heart Of Worship, Here I Am To Worship, Here We Are, Holiness, Holy and Anointed One, How Majestic Is Your Name, I Could Sing of Your Love Forever, I Give You My Heart, I Love You Lord, I Offer My Life, I Stand in Awe, I Want to Be Where You Are, I Want to

Know You, I Worship You Almighty God, It is You, Jesus Lover of My Soul, Jesus Name Above All Names, Knowing You (All I Once Held Hear), Lamb of God, Let Everything That Has Breath, Lord Have Mercy, Lord I Lift Your Name on High, Lord Reign In Me, Majesty, Mighty is Our God, More Love More Power, More Precious Than Silver, My Life is in You Lord, My Redeemer Lives, No Other Name, Oh Lord You're Beautiful, Open the Eyes of My Heart, The Potter's Hand, Refiner's Fire, Sanctuary, Shine Jesus Shine, Shine on Us, Shout to the Lord, Step by Step, There is a Redeemer, This is the Day, Trading My Sorrows, We Bow Down, We Fall Down, We Will Glorify, Worthy You are Worthy, You Are Holy (Prince of Peace), You Are My King (Amazing Love), You Are So Good to Me.(Note: For Praise Band leaders, I recommend this book in conjunction with the Hal Leonard "Praise and Worship Fake Book", which has over 400 songs, just lyrics, melody line and guitar chords, which is great for your vocalists, and these 80 songs are also in that book, almost all in same keys and with same arrangements.)

This has a wonderful selection of familiar praise songs and good arrangements. It is wonderful to use for instrumental preludes and has many songs that a joy to sing. The book arrived in excellent condition, well packaged and arrived more quickly than I expected. I am happy with the item and the seller.
