For Soccer-Crazy Girls Only: Everything Great About Soccer

Synopsis

"To be a great soccer player, you must be in love with the game." — Mia Hamm
Do you love lacing up your cleats for the first game of the season—and do you love it even more when they're caked with mud after the game? Are there many nights when you dream about kicking the ball, and watching as it soars through the air toward the goal? Would your perfect day include hours on the soccer field? Do you love to watch people play, soaking up everything you can from other soccer-crazy players? Have you ever felt like your soccer team is a second family? Then you're definitely soccer-crazy . . . and this book is definitely for you!
From training techniques formations and strategies—this book has it all!

Grade Level: 2 - 5

Customer Reviews

Gr 3-6 This upbeat, enthusiastic treatise on everything soccer is aimed primarily at girls and written by an obvious fan of the sport. The text is organized into short vignettes with chapter titles such as "Becoming the Best," "Getting Ready for the Game," "On the Field: Let's Play," and "Play Safe: Preventing Injuries on the Pitch." Each piece is about a page long, with bright two-color computer graphics in black and vibrant green. Full of factoids and anecdotes, this book will appeal to girls with little time to pore over a heavy text. In addition to game rules and strategies, the title also shares material on how much money players earn, stories of inspirational teams, and an extensive listing of prominent players, male and female. While the graphics are attention grabbing,

the two-color theme muddles the black-and-white photographs, making some unappealing. Profiles of several players, male and female, as well as a series of lists finishes out the text, with several pages for readers to add their own notes. The style of text and simple graphics will appeal to the younger middle school or upper elementary readers, as will the straightforward instructional information; older readers will find it more entertaining than enlightening. A good gift for young fans.âCarol Connor, Cincinnati Public Schools, OH

â . . . a mature, contemporary soccer guide for girls wanting to take their game to the next level.â

I bought this book for a 11 year old girl who is an advanced soccer player. She loves the book. It has info on nutrition, a section on soccer legends, and much more. I want a book like this for boys.

I bought this for my daughter. She has recently found soccer and wants to read everything she can about the sport. I liked this book as it includes outside influences and doesn't just focus on technique. It has helped her to understand teamwork as well as passing to a spot and not a person.

I bought this as a gift for my 14 and 12 year old Step-Daughters. The younger one is more into football and she loves this book! After two weeks she was excited to show me her new-found juggling skills. I am happy with this purchase but wish they would include worldwide stats and footballers instead of only Americans.

Book is good for real basic intro into soccer. the rules, the game, positions explained etc. It's good read for a young girl barely getting into soccer.

Birthday gift for 8 year old granddaughter, who plays soccer - she loved it!

My daughter loved it! She said it helped her to eat right for soccer. Would recommend it for anyone. Shesid it taught her a lot.

My daughter loves this book!

My daughter loved this book
