Fox In Socks: Dr. Seuss's Book Of Tongue Tanglers (Bright & Early Board Books(TM))

Synopsis

Dr. Seuss's *Fox in Socks* has been troubling tongues and garnering giggles since 1965. Written specifically to be read aloud, it features a tricky fox in socks and the progressively more difficult tongue-twisting games he plays on his exasperated friend Mr. Knox. Now available for the first time in an abridged, sturdy, board book edition, this beloved classic will have babies of all ages laughing with and at their parents as they struggle, like Knox, to blab such blibber blubber as muddle puddle tweetle poodle beetle noodle bottle paddle battle!

Grade Level: Preschool and up

Customer Reviews

"This Fox is a tricky fox. He'll try to get your tongue in trouble." Dr. Seuss gives fair warning to anyone brave enough to read along with the Fox in Socks, who likes to play tongue-twisting games with his friend Mr. Knox. "Here's an easy game to play. Here's an easy thing to say.... New socks. Two socks. Whose socks? Sue's socks." But Mr. Fox Socks isn't about to let Knox off so easy. Soon Goo-Goose is choosing to chew chewy gluey blue goo, while tweetle beetles battle with paddles in a puddle (in case you were wondering, that's called a "tweetle beetle puddle paddle battle"). Mr. Knox gets exasperated: "I can't blab such blibber blubber! My tongue isn't made of rubber." But he catches on to the game before it's all through. One of Seuss's best, this must-read-aloud classic is guaranteed to get many giggles out of readers young and old. (Ages 4 to

8) --Paul Hughes --This text refers to an out of print or unavailable edition of this title.

Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses. The Express --This text refers to an out of print or unavailable edition of this title.

My wife loves this book a must have if you love Dr. Seuss. We bought this for our kids. They love to read Fox in Socks. Dr. Seuss is a poetic genius. One of those books we will save and have for our grandkids some day!!;))

Although my 2 year old grandson thoroughly enjoys Dr Seuss books, he never asks for this one. I think it's too complicated for the really young.

Husband and I are not a fan. Son (two year old) LOVES it, often asks to have it read. What are you gonna do, you know?

Everyone loves trying to read this silly book. As others posted it is not the full book, but since this is geared toward babies I don't consider that a bad thing.

This is a great story, but do your baby a favor and get the real version!

It's a fun book even for the littlest. We read it both quick and slow and baby is always entertained by it.

Fun to read to my toddler! He loves listening to the tongue twisters!

bought for grandson to add to his library. perfect
