Tony Robbins is a philanthropist and #1 New York Times bestselling author. He lives in Palm Beach, Florida.

Tony Robbins is a life coach supreme. He is an engaging communicator and anyone who wants to improve his/her life would be encouraged by tuning in to what he has to say.

Excellent product, fast shipping.

This is a very motivating and helpful set of CDs. Tony Robbins puts things into perspective and outlines step by step how to take his advice and make it work. He explains how to change negative thoughts to positive ones and how changing your focus helps to create a new reality. I listen to the CD's in my car on the way to work and by the time I get there I have more of a positive attitude and a better perspective, I would definately purchase more products from Tony and I hope to be able to go to one of his seminars.

Sometimes this material sounds like very familiar, very common sense but it gives you clarity and organization of this famous common sense. Of course doesn't stop there, it goes beyond common sense as it gives interesting tools to praticly use to keep track on your goals and even maybe wake you up if you needed some fresh new starts!And listening to him is really refreshing as well, it's fun.

This audio is outstanding material to really incorporate in daily life to be able to succeed in a very real life kind of way. I really like the enthusiasm he has while teaching and also the power he puts into the program and he also challenges you alot to do the exercises he teaches.

Tony Robbins gives excellent advice!! I highly recommend the CD's, books and seminars. It will change your life!!

Loved it.
