Birth Control (Issues On Trial)

Synopsis

Contentious issues such as civil liberties and abortion touch on people's deeply held beliefs. This series captures the passion and depth of these debates, examining how the courts have helped to shape each issue through their rulings. Each volume focuses on a specific issue, presenting primary source materials like the text of court rulings and dissenting opinions, as well as analysis and opinion on the rulings. This engaging series offers a wealth of information on the historical and contemporary aspects of issues confronting society, while meeting the academic demand for reliable information tied to law and social sciences.
