It's a sweet little book for young children at any time of year. Chris Shea is a gift in how she sees the wonder of the world.

I had high hopes for this book as it's a bit hard to find Christian board books, but the text is just disappointing. I don't know what it means that God loves you "as much as pancakes are fluffy". I

had intended to give this book as a gift, but I just can't do it. It's going to the yard sale instead.

A delightfully simple story to read to youngsters about God's love. Adorable pictures of animals and easy to read text that young children can relate to and understand. - Mara Laird, author of "God Always Loves You"
