## Customer Reviews

Lots of detailed suggestions. As always, a great guide.

It's skimpy. Not much infoCovers a lot of ground in a small book. Spread too thin

A good general guide. Doesn't have the detail you might always want but given it covers three countries in a slim volume you can't really complain. Things for Armenia and Georgia were accurate.

Fantastic travel guide. I've been using Lonely Planet for over a decade and this is a relevant update. I have the first edition from 2000 and I also read the previous 2012 version. I can say this edition will definitely be invaluable. For a fairly unvisited region of the world I definitely recommend this guide.

Encouraged us to go there!

**DEFINITELY WILL BE IN MY BACKPACK DURING MY TRIP TO CENTRAL ASIA**

Haven't made the trip to Armenia yet (coming up in a few weeks), but have been very happy to have this helpful and detailed guide to prepare for it.

Excellent book for use in geography and travel.
