Customer Reviews

I got this for a family member who loves adult coloring books and she was a Spanish major. I know she will love it. I was a little disappointed that the pages were mainly black. (basically like the cover)-

When I ordered this it didn't have any example pages, nor did it say what "night edition" meant. I just thought I'd throw it out there for the people who go to order. Other than that, it's a nice book, and the words are hilarious.

I love adult coloring been doing this for over a decade. Now i can color in spanish

I gave this as a gift to a friend for Christmas - she loved it! I can't speak for the quality when coloring, but the images are great, love that they're translated up front for you...I really like that there's black instead of a bunch of tedious things to color in.

Was a gift for a Spanish friend....SG

Lots of fun
