Still Lives: Trace Line Art Onto Paper Or Canvas, And Color Or Paint Your Own Masterpieces (Trace & Color)

Synopsis

Still lifes are a fundamental part of any artist's repertoire. Now anyone can bring simple still lifes to life in vibrant color with this delightful trace-and-color guide. Inside, six detailed templates are provided to help the beginning artist get started with a line drawing that they can color or paint in the medium of their choice. Artists can simply transfer the template line drawings to paper or canvas with the included graphite paper. Then, using the color references and tips in the book, they can add color and create their own still life masterpiece! The book includes 32 pages of instruction and inspiration, providing basic information about color theory, as well as an introduction to several different color mediums - colored pencil, oil, acrylic, watercolor, pastel, and marker. The overview for each medium covers the essential tools and materials an artist may need, including what types of paper or canvas can be used and any other special materials, as well as how to use various techniques to achieve effects. From colorful florals to fruit and vegetable compositions, art enthusiasts will find everything they need to create their own still life artwork. Includes six removable templates featuring detailed still life artwork and four reusable sheets of graphite paper for transferring.

Customer Reviews

Varvara Harmon is an award-winning multimedia artist who works with oil, acrylic, watercolor, silk paintings, and ink and pencil drawings. Her work has been juried into national and international exhibitions and is in private collections around the world. Varvara's work has been published in

International Artist and American Artist magazines, as well as in The Best of America Oil Artists book in 2009 and The Best of World Landscape Artists in 2012. Varvara is a member of the International Guild of Realism, Oil Painters of America, and Landscape Artists International. Varvara is currently represented at several art galleries across the Northeast and teaches workshops and classes in acrylic, watercolor, and oil. Visit www.varvaraharmon.com to learn more.

I am not a good drawer so these are perfect for me! I love them the first day I got them. I already started tracing some pictures and now I just have to paint them! I'm so excited!

Good book

The pictures are pretty pleasant to look at, and fairly easy to figure out the colors

I shared this book with some young clients and they loved it! It was easy to trace the picture onto canvas as well as paint. I recommend this book to anyone wanting to learn to paint.

I wish there were a hundred of these books! LOVE IT, EVERY PAGE!!!

great book lots of tips

Not what I expected! I returned it! I expected more pictures!

This is a unique way to be able to draw or paint any pictures
