In 2003, Linda LaTourelle was boxing and shipping copies of her self-published compilation, The Ultimate Guide to the Perfect Word, from the guest room of her home in Mayfield, Kentucky. That was the birth of Bluegrass Publishing. Since then, Bluegrass Publishing has grown into one of the leading publishers of collections of original and traditional verses, quotes and sayings in the scrapbooking industry. The success of Word led to the publication of The Ultimate Guide to the Perfect Card in February, 2004. In July of that year, Linda made her debut at the Association of

Crafts and Creative Industry's convention with The Ultimate Guide to Celebrating Kids. She has continued that trend by releasing the elementary school edition, The Ultimate Guide to Celebrating Kids Vol.2 and an expanded edition of The Ultimate Guide to the Perfect Card in the summer of 2005. In addition to her own writing, Linda continues to seek out and publish some talented writers, poets and artists in, and out of, the crafting world.

Really enjoy this book even though its a bit simpler than I would have liked, I have not used this for cards as much as I thought I would but its definitely an asset to your crafting arsenal!

A great book to use when making cards, or scrapbooking pages. So many quotes, tips, and sayings on just about every event, no matter whether happy or sad, in a person's life! Having these words added to each project makes what you've made, much more meaningful to the recipient!

I absolutely love this book and have used so many times in last two weeks-----looks like new, too!

This was exactly as it was described and sent on time.

A friend of mine has a bookshelf of books to get ideas of what to write in our scrapbooks. She showed this book to me and told me she only uses it, and the rest are worthless. It was quite hard for me to find this, but it was worth it! I LOVE IT! It has a ton of different occasions or topics, all in alphabetical order. SO HELPFUL! I got the Guide to the Perfect Card also, and love it, too!

I had been wanting that book for a long time. I am so excited to have it now and will use it over and over. I love making cards with my Cricut and am always trying to think of the perfect thing to say. Now I have many choices. Thanks!!!

My wife finds it very handy for scrap booking.

My wife is a scrapbooker and uses this book all of the time. It has everything in it - she got rid of the 4 or 5 small books she use to use and depends on this one now for all her sayings for her projects. Recommends it to scrapbookers, card makers, crafters, letter writers.
