Marie Michaels represents the combined work of three artists from Dugan Design Group in Minneapolis, Minnesota: Nicole Wallace, Chris Dugan, and Terry Dugan. Their primary creative work is book cover and book interior design, increasingly focused on original content via illustration, photography, and digital media.

When I first saw this coloring book, it reminded me of a poster in the church I attended when, as a young adult, I first became a Christian many years ago. The poster was a real testament to me because it listed all of the names of God. I remember sitting in Bible Study and contemplating those names and trying to understand His infinite presence. Fast forward more years than I care to

remember and I get the same feeling when I am coloring in this book. There aren't that many coloring books I have that I know beyond a shadow of a doubt that I will color each and every page. This is one of those books. It goes beyond coloring for me and speaks to my spirit. The artwork is a combined effort of three artists (Nicole Wallace, Chris Dugan and Terry Dugan.) Their publishing name is Marie Michaels. Each of the designs has a name of God as the central focus. Along with that is translation of what the particular name means (examples: El Olam "The everlasting God, Adonai "Lord and Master, and Alpha and Omega "the Beginning and the End), a Bible verse and cite, and finally an illustration that ties all of it together. The illustrations range from flowers to geometric and are fun and fairly easy to color. The translations used in this coloring book are: New American Standard Bible, New King James Version, Holy Bible New International Version (NIV), and the Holy Bible New Living Translation. The designs are printed on one side of medium weight, perforated paper. The binding is glued, All of the designs either have a framing line around the outside or have finished elements. I really appreciate the care the artist takes by doing this. It saves me time, trouble, and ink. It also gives me a natural stopping point which gives my projects a better overall appearance. I was easily able to break the spine of the book to get it to lay flat for coloring. I test many types and brands of coloring medium on each coloring book I review. This is what I found with this book: All brands of markers, whether alcohol or water based, bled through this paper. All other mediums, including coloring pencils, left a shadow on the back of the page and a bit of a dent, too. The gel pens did not require extra drying time. The soft lead coloring pencils went on thick and creamy and were extremely easy to blend. I use a heavier piece of paper (card stock, chipboard, etc.) under the page I am working on to keep from damaging the next designs. These are the coloring medium that I use for testing. If there is something else you feel I should be testing, please let me know and I will see if I can add it to my growing pile: Markers: 1) alcohol-based Copic Sketch, Prismacolor double ended markers (brush and fine point), Sharpies (fine and ultra-fine) Bic Mark-its (fine and ultra-fine) and 2) water-based Tombows dual end markers (brush and fine point), Stabilo 88, and Staedler triplus fineliners India Ink: Faber-Castell PITT artist pens (brush tip) Gel Pens: Sakura, Fiskars, Uni-ball Signo in the following sizes - 0.28/0.38/0.5/1.0 and Tekwriter Coloring Pencils: Prismacolor Premier Soft Core, Derwent Colorsoft, Prismacolor Verithins, and Faber-Castell Polychromos

I have enjoyed coloring several pages in this book. My chief complaint is that some of the detail is too small to be colored without a magnifying glass & then the pen point is too large. Gel ink also smears easily on the paper. I discovered that the best way to handle this was to color a small area,

then lay it aside to dry. Also several of the pages used quite a bit of black, limiting what could be colored.

There's so much to say! This coloring book is soooo Awesome! I'm a Christian, and it's so wonderful to have a God Honoring coloring book! I recommend, and LOVE this purchase!

Me and my grandsons love coloring these pages!! They would be WONDERFUL for Sunday and Sabbath School classes not only for the calming influence coloring has, but this coloring book is also a GREAT learning tool.

Love the focus on the variety of names of God! Wish this book was spiral bound.

I really like this book. I already colored 2 pictures with Jehovah's name and bible verse and framed them for gifts to friends. I will be reordering another book so I can have the same picture to hang in my living room.

Very nice .. The saying and detail are just what I was looking for !

This book has lots of beautiful pages, and there is one picture per page. The pages are perforated and have a decent amount of thickness to them.
