Decadent Dreams

Synopsis

Nico My dreams haunt me. I feel as if I am falling into a pit of impending doom, but even that has not prepared me for the roller-coaster of emotions that flood over me when I'm near Phoenix. I have to keep my distance from her. I need to. It's the only thing I can do to keep from getting hurt again. Staying away from her proves to be a much harder task than I could have ever imagined. She's not only my assistant, but she's half my age. She gets under my skin and irritates the shit out of me, yet one smile, one laugh, and I'm melting into a puddle at her feet. Falling in love with her is a bad idea, a very bad idea, because she just may be the one person who breaks my heart for good this time. Phoenix Nico is my boss. He's demanding, bitter, brooding, and a downright bully at times. But, all that doesn't deter me from him at all. I can see the kindness and compassion in his eyes. I know the secret he's keeping from everyone and why he's so guarded with his heart. I don't care about his secret, nor do I care that he's twice my age. What matters is the undeniable attraction we feel for each other. If only he can just let go of the past and see what's right in front of him. Author's note: Due to strong language and sexual content, this book is not intended for listeners under the age of 18.

Customer Reviews

And she did it again! What a great read for Valentine's Day! Nico is haunted by nightmares and hasn't been with anyone since his wife's death. When his best friend and partner hires Phe as his assistant his life changes. This little woman full of life makes him want things that he hasn't thought of in a long time. Phe doesn't know what to think of her new boss though she wishes he'd let her do her job and give her work. Together the sparks fly in every way. The characters in this story you

can't help but love even when you're yelling at them. They're fun and full of life, everything you want from characters in a great story! This is a must read but be prepared for lots of heat, smiles and laughter. Now I want more on the others.

I have read all of Nicole Garcia's books and I am in love with this new Decadent Dreams series. It is full of surprises, danger and oh so sweet sexy scenes. Nico, a workaholic who is dealing with his past and is having fitful nightmares every night, needs something or someone in his life. His good friend and partner, Gio, decides Nico needs help, even though he won't admit it. So he hires Phoenix, or Phe as she is called by her friends to be Nico's assistant. Phe is a lovely little thing, who sees the good in people, but when pushed becomes a little spit fire. She is immediately attracted to Nico and he is to her as well. I was quickly drawn in to this story and was so sad when I had to stop reading because I had to get some sleep before going to work. It is definitely one of those books where you keep saying just one more chapter and before you know it, it is 1 am in the morning. I so love Phe and her strength as well as Nico, who appears to be a grizzly bear is more of a teddy bear. Nicole does an awesome job with her supporting characters as well, you love them too and hope they will have their own book as well. High praise to Nicole and this book. I highly recommend you getting it today and be prepared to stay up late reading.

This is the best book to date by this lovely author, and I have read most of her books. The characters feel like your friends and family; like people you know. The steamy scenes in this book are off the charts- the kind that have you blushing and fanning yourself when reading. It's a not stop roller coaster ride of emotions from happy and laughing along with them, to sad and crying, and everything in between! Occasionally I wanted to smack Nico, then alternately hug him. What can I say about Phe- she's amazing, and I want to be her or be her bestie! The rest of the characters(Gio, Josh, & Big D) are all wonderful as well, and I hope to see more of them. I can say enough how much I love this book and these characters!!! Well done Nicole, very well done!

Decadent dreams - truly a feast for the foodie senses and then some! This book totally surprised me as I thought it was a romantic comedy - it ain't. It's so much more and then some - and is easily in my top 10 for 2017! Nico is a grizzly bear that needs taming - and by taming - he needs to be mellowed out. Phoenix is a flame haired, free spirited fire cracker who likes to dance to very loud pop music, has an obsession for horror movies and has an appetite that is bigger than an NFL player after game day - and her favorite food is pizza. She also has no off switch and no filter

whatsoever. We first meet her and she's already day dreaming and so is he! Sounds like me! And his big hands...say no more! Nico has so many walls. An Italian who is sex on a stick. He's afraid to admit his feelings and every day they grow stronger and stronger and he doesn't see it coming. It's like a lightning bolt. Every time they start to get intimate, he practically runs away. He's a reactor and speaks on impulse and most of the time he regrets it. When the walls that are built around him by his past start to come down, he slowly starts being the sexy beast that he is. He's funny, swoony and boy can he love! He has a heart of gold and all he needs is someone to put all of the pieces of his heart back together again. Phoenix is tough as nails. A feisty red head that burns like a flame that matches the color of her hair. She's comical, has a hairless cat, and surprises everyone with her business sense. When she finally opens her heart and lust and love come to fruition - look out. She's so stubborn - I'm thinking she must be a Taurus! She's selfless in all she does. She loves without even needing to say the words. She may be a pixie, but oh is she ever fierce! When they realize that they fit together like puzzle pieces - love knows no bounds. This story is so sensual and unputdownable. Who knew sanding wood could be sexy! Good lord! And Nico's hands...they are written in such a way that you can actually feel his touch when you experience the words. They are like lyrics on your skin that create a song for your heart that becomes engrained in your soul. And the cast of characters- Gio - the best friend who is considered a brother, his Father, and dear Nana who is so sweet, and Josh, and Derrick. They all create this fictional world that makes your heart sing. Decadent Dreams pulls at your heart strings and makes you crave cheese pizza and home made raviolis and makes you wish you were back in the old country of Italy. And oh, there's a delectable scene with chocolate - yep chocolate! Oh my. So grab a bottle of wine, order an Italian pie from your favorite pizzeria and make sure you have some hot fudge on the side! This is definitely a scratch and sniff and taste kind of story! The best kind! Ciao!

I'm an avid fan of this author and have loved all her books, but this one is outstanding. This is her best work yet. The characters in this story feel like they are part of your family and friends-they capture all your emotions. Phoenix McKay, known as Phe, is a beautiful, smart, sassy and funny woman. She has a Masters Degree in Business Management and is hired to be an Assistant to Nico Valenti. Nico is a handsome, intelligent widower. Also owns the Decadent Property Management Co. He can be so exasperating at times that you want to smack him and at other times, just want to give him a hug. There is such an attraction between these two but Nico fights it because he feels he's too old for Phe. Also had a bad relationship with his deceased wife. Then there is Giovanni, known as Gio, who is such an adorable, funny, and sweet man who is Nico's best friend and also

his partner. You can't help loving him but he can be a thorn in Nico's side. The part about the lemons was hysterical-you'll have to read the story for yourselves to find out what I'm referring to. :-)
Can't wait for Gio to get his story and meet his match!!! highly recommend this book. It has hot & steamy sex, suspense and some very funny scenes. You just can't help loving this story and it grabs you from the beginning to the end.
