Customer Reviews

Busy stuff 1st; Quick arrival. No damage. Good price for product. Now the drawings... I'm aware

Sloths climb, hang, reach, and dangle. I just had hopes since the drawings were so decent for coloring. That they'd have a few various poses? Style seems to lean toward Asian motif if I was guessing? I'm not an expert but I'm reviewing for other ADULT SLOTH LOVING FOLK afterall. Not complaining only stating thoughts. Thank you.

Great pictures of sloths, perfect for any sloth lover. I also appreciate that the pages are one sided, so you can hang them up and don't have to worry about the image on the other side bleeding through!

nice but too complicated for young girl--is using other one ordered-bigger pics--easier to do & follow directions

Fun, everyone loves coloring these.

This was a fun item I gave my older granddaughter who loves any sloth stuff. She thought it was great.

My 12--year old granddaughter will love this!

One of the best coloring books I've seen!

Was a gift that was loved
