Customer Reviews

Barbara Radcliffe Rogers and Juliette Rogers are a mother-daughter writing team. Barbara Radcliffe Rogers is the author of "New Hampshire Off the Beaten Path, The Rhode Island Guide," and "Adventure Guide to the Chesapeake." She lives in Richmond, New Hampshire. Juliette Rogers lives in Providence, Rhode Island.

Great book..so many things I didnt know about..and I live in providence.. I host travelers as an airbnb host, my guests love this guide

Purchased this as a gift for friends who are relocating to Providence. It's a little less detailed than I had expected, but they've said they've found the information useful. A little pricey for the size, amount of information, and general quality of this paperback.

My niece gave me this book before I visited Providence. I had gone out there for her college graduation for a long weekend and got an abbreviated tour, but it only wet my appetite for more. Though probably not as extensive as I would have liked, this book was interesting and gave me more than enough to experience. Providence is a vibrant and diverse city with a colorful history and

an excellent place to visit. This book most definitely provided a lot of information and offered some great suggestions for touring.

This is a smashing little book! I picked it up, looking for a few little interesting tidbits to help me plan a surprise weekend away to celebrate our anniversary. The authors are clever, witty and know all the best little secrets. If you're looking for a great way to find those little known hideaway moments, this is it!

I would have given this book five stars had it not been for the fact that several pages of the copy I recently purchased from are apparently so secret that they are blank. I can only conclude that this is a printing error since there are index entries that refer. Hey ! Can I return it and get a more complete copy?
