The first part of their vacation aboard a houseboat puts the Timberlines up close and personal with a celebrity couple. Bryce and Ashley get to see real-life paparazzi in action while they work to solve a mysterious break-in on the celebrity boat. But the lazy days on the river didn't prepare them for the deadly challenges of the Grand Canyon hike. Bryce and Ashley Timberline are normal 13-year-old twins, except for one thing—they discover action-packed mystery wherever they go. Wanting to get to the bottom of any mystery, these twins find themselves on a nonstop search for truth.

I love this book series with all the adventures they go through and I'm very glad that I finally found a mystery series that includes God - That was my daughter's review. I will tell you she has truly loved this series. She is devouring these books unlike anything she has ever read. Since finding this series, instead of playing games and watching movies on her Kindle, she has been reading - yay!!

I enjoyed all of the Red Rock mysteries. I hope the last several books will be offered on Kindle!

My boys read this. They said it was very interesting and exciting, full of mystery.
