Guide For The Modern Bear: A Field Study Of Bears In The Wild

Synopsis

"Guide for the Modern Bear" is a pop culture-inspired hybrid guide to the gay Bear community and its characters, as well as a fun, sexy, and hip travel guide focused on the bear lifestyle and modernist community in fourteen cities across the USA and Europe. Written by Travis Smith and Chris Bale, the book was inspired by the grassroots growth of their popular Facebook page. Their self-published, first edition sold 1,000 copies in just a few months and led to a publishing deal for Modern Bear Media. 14 Chapters focus on 12 different major US cities plus Barcelona and London, including fun maps of the Bear and Modernist Hot Spots. Points of interest include restaurants, bars, gyms, lodging, shopping, Mid-Century Modern architecture and neighborhoods. The book features colorful pop-art inspired art direction by Jason Hill, photography by Leland Gebhardt, and a detailed tongue-in-cheek glossary to the Bear World.

This book was very very fun to read. The bear type descriptions were well written, though clashed a bit with some other descriptions I've read. But that's the beauty of this community: it's damn hard to pin down and label in only one "true" way. The location listing were especially insightful and are sure to provide a great base for future travel plans. Also, the little illustrations of each type were a cute touch. One of my favorite aspects of this book, however, has to be how each of these type are portrayed as a character and they all interact with one another. It really brings the book home.

The creators of the Modern Bear website now offer this interesting little tome. Great advice and

comic descriptions. Must visit locations, shops, bars etc is invaluable to any bear!

Ok light reading but was hoping for more. Basically describes in humor the various types of "bears" in gay culture. Was hoping it would be a bit more serious giving a history of bear movement and less of an advertisement for shops/eateries/bars that we supposedly hang out at. I'm glad I saved some money and bought the Kindle version.

very happy with this product

GUIDE FOR THE MODERN BEAR It was FUN.... and INFORMATIVE..... very excellent in every way... Would send it to family and friends for Birthday or Holiday.... or just for FUN !!!

im very satisfy with the modern bear book! congratulations to the writer travis smith & chris baleawesome guide for gaybears and admirers...

Was exactly what i was expecting.

Bought as a gift and they couldn't be happier. I was impressed so I had to get one for myself and my coffee table. Funny and informative.
