Great book

Great practical advice on treatments to do at home for smoother young skin. Dr. Lancer did not push his own products but instead gave the ingredients that are beneficial. Really enjoyed it and will use it in my practice.

Love love love!

This is a fantastic resource! Exceeded expectations. Dr. Lancer shares his 5-star expertise and advice with everyone. There is a game-plan for every budget here. I especially appreciated the detailed ingredient breakdown that demystifies the various anti-aging product components, for those of us who want the technical know-how so we can "fish for ourselves." This belongs on the bookshelf of anyone who wants better skin or wants to maintain what they have. Bravo Dr. Lancer!
