## Customer Reviews

Absolutely Beautiful Coloring Book. The pictures are gorgeous. The pages are very thick paper/light cardstock. Pages are 8x11. I love Mardel Rubio's work. I have all of his books. I especially love this one because it is on such good paper. His others have been on cheaper, thin paper. Also the pages are one sided so you can use your markers if you want. His work is always varied so you never get bored. I love how the mermaids look. Some have more of an Asia-Pacific look to them, some of a more Anglo Saxon look. Some one said there were duplicate pictures, I have looked and have only seen new original pictures on every page. I find the varied faces beautiful and enjoy coloring culturally different pictures. This book is also spiral bound. The pictures are not framed but I prefer this style. I'm giving this book 5 stars, it trully is going to be a treat to color.

Very disappointed because many of the mermaids in this book are not pretty like those on the cover. Many have no necks and the faces look like they have been plucked off of the pages of someone practicing how to draw faces and flunked big time. Hair mostly long and black so it could not be colored like the cover piece. I will not be buying Mr. Rubio's next coloring book. I like the paper, the perforated pages and the spiral binding, but not most of the mermaids--the purpose for

buying this book. Some friend should have told him how ugly some of these images are.

Wow! Gorgeous pictures!!

Â Book was received free for a video flip-through and unbiased review. I think this is the first book (andÂ Fantasia Adult Coloring Book - Second Edition, from the same publishing company) that has this kind of covered binding. On top of that, it's single sided pages and perforated. They are also printed on heavy and very toothy paper. This artist has improved on his line-art skills and this book definitely shows it. Oh, don't forget the bonus poster! You'll love coloring in this book, it's perfect for all levels coloring skills.

A little sad, there's two sets of each picture. So you get two of the same coloring books in one. Kinda ridiculous. Very disappointed.

I bought the coloring book without knowing what I would get, and I have to say that it is a pretty awesome coloring book with great art and quality.
