John (MacArthur Bible Studies)

Synopsis

The Gospel of John is filled with profound truths and rich spiritual stories. Stories of Christ's miracles that inspire His followers; stories of death that redeems the lost; and the stories of Resurrection that provides us with hope for eternal glory. Every miracle, teaching, and reaction John writes has one clear purpose to prove that Jesus is the Word, the Messiah, and the Son of God. The dramatic milestones of Christ's ministry, as portrayed by John, have invited millions of believers through out the ages into a saving faith with Jesus Christ, and will lead you into a deeper understanding of the ultimate story of Jesus, the Son of God. The MacArthur Study Guide Series provides a twelve week, verse-by-verse examination of the books of the New Testament. This revised and updated series continues to be one of the best-selling study guides currently available for individuals or small groups. Features Include: Twelve week study Thought-provoking questions Verse-by-verse commentary Space provided for note-taking

John MacArthur is the pastor-teacher of Grace Community Church in Sun Valley, California, president of the Master's College and Seminary, and featured teacher with the Grace to You media ministry. In more than four decades of ministry, John has written dozens of bestselling books, including The MacArthur Study Bible, The Gospel According to Jesus, and Slave. He lives in Los Angeles.

Enjoyed having a little deeper study of John but does not contain a deep dive of the book (MacArthur has other Commentaries for the 'deep dive'). This commentary contains the actual scripture text where other Commentaries do not so you have to reference the bible as you go along. Can also be used as a devotional or group study guide as the commentary contains questions for self reflection. Enjoyed the time learning with this one.

This is a great supplement to simply reading the book of John. It poses good questions for you to go through and to help you understand the overall themes and specific situations in John. I have been using it for personal use before listening to sermons by other preachers to better my understanding and hopefully help scripture stick in my memory. It also slows down my reading so that I'm not simply glossing over scripture that may sound familiar and take me deeper in my understanding. I only wish the study was broken up into smaller sections, but so far, it's been really good.

I am actually doing this study with a nephew who is in prison. He calls once a week and we go over our answers to the study questions. My nephew is a new believer who has been incarcerated for many years, but this study has set him free in ways he never knew were possible. All scripture is included in the text, so that we are using the same version, and there are questions for varying levels of study that are both informative and thought-provoking. The "Going Deeper" section always sparks a discussion. I am thoroughly enjoying this study and looking forward to doing another MacArthur study when we finish.

The Kindle version is NOT the same as the print version offered on the same page, and I can't find anything that would have told me that. Purchased the Kindle version for use in a study with others who bought the print version. Very disappointing to have a different edition with no notice.

Great resource to do personal bible study or use as a discipleship tool. He walks through each chapter and verse with questions and a small amount of notes. I would like to have the answers for more insight and a few more deeper questions. But overall a great buy.

I purchased this study for a women's bible study group that I lead. Almost everyone found the questions to be compelling and useful. Our group ranges from life-long Christians to brand-new Christians. Most of us found the study questions a little difficult. Our lady that is a brand-new

Christian said the study questions were too hard for her. The scriptures are printed in the book and it gives you space in the book to answer the questions. So all you need is the book for this study. No bible necessary.

Not one of MacArthur's best pieces of work. It read like it wanted to attract both someone wanting to read a book on John and someone wanting a commentary on John. The two products are too different to try and split it down the middle.

I am beginning a Bible study on the book of John. I am starting from scratch and I needed to find a resource that would at least give me some guidance of how to begin, this is it. It divides the lessons in segments for the leader to follow, it points to the most important points and explains them. I recommend you still read some commentary because the book is just a guideline.
