# English Grammar To Ace Biblical Hebrew

## Synopsis

English Grammar to Ace Biblical Hebrew enables students of biblical Hebrew to grasp the basic concepts of English grammar that are needed in order to be able to transfer these concepts to biblical Hebrew. One of the biggest problems students encounter learning biblical languages, especially Hebrew, is that they have either forgotten or simply do not know their English grammar. Concepts such as verb tense and voice, relative pronouns, antecedents, adjectival substantives, and the like, sound like familiar terms, but may seem foreign when it's time to put them to practice. With chapters such as, 'To Be or Not To Be, that is the Infinitive' and 'Pronouns: Grammatical Stunt Doubles,' this book is both clever and engaging. All Hebrew students will become better translators and ultimately better pastors and leaders with the help of this book. Tips for studying Hebrew, a glossary, and a list of additional Hebrew resources is also provided. This book is a companion to English Grammar to Ace New Testament Greek by Samuel Lamerson.

## Book Information

Paperback: 112 pages

Publisher: Zondervan (April 12, 2010)

Language: English

ISBN-10: 0310318319

ISBN-13: 978-0310318316

Tips for studying Hebrew, a glossary, and a list of additional Hebrew resources is also provided. This book is a companion to English Grammar to Ace New Testament Greek by Samuel Lamerson.

Miles Van Pelt (PhD, Southern Baptist Theological Seminary) is the Alan Belcher Professor of Old Testament and Biblical Languages at Reformed Theological Seminary in Jackson, Mississippi, where he also serves as Academic Dean. Miles lives in Madison, Mississippi, with his wife, Laurie, and their four children.

I have the entire series of Basics of Biblical Hebrew by Pratico and Van Pelt. One problem I kept running into was that they would discuss forms of grammar that I never heard of or no longer remembered what it was. The book covers Imperative clauses, infinitives, participles and other parts of speech long forgotten by anyone but an English major. If you are serious about learning Hebrew, this book is invaluable.

This book is okay, I just don't think it's for me.

Must have for learning Hebrew - Esp' Singaporeans...

Good lil book, just wish it used more of the terminology used in the lessons. It's like a basic primer to help refresh on English terms and relationship to Hebrew grammar.

I don't have the English as my first language, but I found this material very interesting. It is an enjoyable text.

Great resource!

Very helpful

This book was purchased for our Bible college library as a resource for students upon the recommendation of our seasoned Hebrew professor.
