Don Rosa, (born June 29, 1951) lives near Louisville, KY. Famed for his prizewinning Life and Times of Scrooge McDuck, Rosa wrote and drew a whopping two decades' worth of ripping Scrooge and Donald yarns! David Gerstein is a comic book writer/editor and animation historian specializing in the Disney Standard Characters. His books include Mickey and the Gang: Classic Stories in Verse and Walt Disney Treasures • Disney Comics: 70 Years of Innovation. He lives in New York City, NY.

Another wonderful entry in the collection of Don Rosa work. I understand all stories are being chronologically as they were first published around the world, but I am modestly disappointed the Life and Times of Scrooge could not be collected together. Still, it is wonderful to have such a nice collection of these stories. Rosa's duck stories are great and I love the intricate art-work that is not present in so many duck stories by others.

This is possibly the best comic adventure strip ever written! Totally absorbing. In addition, although Barks is the "good" duck artist and story-teller, Rosa stands on his shoulders! This is a substantial package, but more economical than buying the two volumes separately. Nicely printed and bound. With the box, the books should last many years.

Volume 5 collects the final arc of Rosa's masterwork, *The Life & Times of Scrooge McDuck*. Scrooge's long sought triumph to achieve his fortune is justly bittersweet and a marvel to read. Rosa's detailed style lends to multiple readings. Often you'll catch details missed on the first go. Volume 6 and the *Universal Solvent* has more of the artist's love of exploring a crazy concept to its funniest ends.

Donald Duck and his uncle Scrooge McDuck are two of my favorite comic characters. These books have them in some interesting adventures and contain a bunch of laughs. Very enjoyable.

Don Rosa has devoted most of his adult life capturing the essence of Carl Barks as a tribute, not copying but taking the torch and making it burn even more brightly. The stories are adventurous, beautiful and ridiculous at the same time, These tales represent comics as they were and thanks to Don Rosa, still are,

A great collection of Don Rosa's stories. He's one of the greatest comic artists ever after Carl Barks.

More of the same greatness that comes with everyone of these books. My own complaint would be one of the volumes contains stories from an out of print collection I already own! To no fault of the comic and a great addition to anyone who missed it.

excellent!
