Best Sellers Rank: #116,507 in Books (See Top 100 in Books) #96 in Books > Children's Books > Education & Reference > History > United States > Colonial & Revolutionary

Age Range: 8 - 14 years

Grade Level: 3 - 4

## Customer Reviews

Grade 3-6-While the facts are accurate and clearly presented in boxes inside each picture, the dialogue is somewhat contrived and simplistic. The real problem, though, is with the art. The illustrations don't really show what happened in any detail, the colors are muted, and the pictures aren't very exciting. Considering the action taking place, these scenes are disappointing. In crowd scenes, the people are faceless, which looks strange, and in some cases almost frightening. Two pages of facts about the Tea Party are appended. An additional purchase.-Ronnie Gordon, Brooklyn Public Library, NY Copyright © Reed Business Information, a division of Reed Elsevier Inc. Matt Doeden is a freelance author and editor from Minnesota. He's written numerous children's books on sports, music, current events, the military, extreme survival, and much more. His books Sandy Koufax (Twenty-First Century Books, 2006) and Tom Brady: Unlikely Champion (Twenty-First Century Books, 2011) were Junior Library Guild selections. Doeden began his career

as a sports writer before turning to publishing. He lives in Minnesota with his wife and two children.

I am a teacher and my students absolutely love these books! I would give them 5 stars, but they are cheaply made and pages start falling out after only a small amount of use.

I purchased these for a teacher in my school district as requested. She has been very happy with them so far.

I teach High school history, and my 7 year old has some interest in it. This was a nice introduction for him to American History, and he liked the graphic element.

My 9 year old son enjoyed reading this. It is good value. I highly recommend it

A good study and good study note for history enthusiasts!

Good job of stating the facts in child level. Liked the art and format of the comic.

My 11 year old son loves these

Perfect addition to my classroom
