Customer Reviews

The spectacular Red Rock Country in and around Sedona is one of Arizona's most popular destinations. Best Easy Day Hikes Sedona takes you from the sandstone canyons of the Mogollon Rim to the awesome gorges of Oak Creek Canyon and the dramatic rock formations of Bell Rock and Courthouse Butte. This guidebook includes concise descriptions and detailed maps for thirty, easy-to-follow trails that lead into secret canyons and onto scenic overlooks. With hikes varying from half-hour strolls to full-day adventures, this guidebook is for everyone, including experienced hikers and families. (4 1/4 x 7, 112 pages, maps)

A resident of Flagstaff, Bruce Grubbs has been hiking Arizona trails for 30 years. A commercial pilot by trade, his love of the wildlands of the Southwest has led him to write more than a dozen books about the region, including Hiking Arizona and Best Easy Day Hikes Flagstaff.

Books arrived quickly after ordering. Book was good for "easy" hikes. Did not include more difficult trails that connected to the "easy" trails. Would have liked to had more trails included in the book.

If you buy only one book, get this one. This book rates the levels - easy, medium, hard - and the hiking distances and times. It also includes the driving distance from the downtown area to the start of the hike. We did 6 different hikes and the book listed points of interest along the way.

Great guide for a fabulous place. Needed for your first trip to Sedona Arizona
