*The Truth about The Harbinger: Addressing the Controversy and Discovering the Facts About This Prophetic Message.* My wife and I have listened to all of the original the original messages given by Rabbi Cahn on which he based his book, and I have read both *The Harbinger* and Mr. James' book, and in my book I biblically address all of the pertinent theological questions Mr. James and

other critics of The Harbinger have made. I also have addressed many of these point by point on my website, The Pepster's Post: A Voice in Cyberspace. WHY IS IT THAT THE UNITED STATES OF AMERICA - A WORLD POWER - IS NOT MENTIONED IN BIBLE PROPHECY? READ THE HARBINGER AND THE TRUTH ABOUT THE HARBINGER AND DISCOVER WHY. The Harbinger is written in the form of a novel that describes a biblical pattern of judgment that has repeated itself in just about every great civilization in history, but the book focuses on how this specific pattern of judgment befell the northern kingdom of Israel, headquartered in Samaria, in 732 B.C. when the prophet Isaiah rebuked and pronounced judgment on the nation for vowing - as he describes it - "in pride and in arrogance of heart" (Isaiah 9:9) ) to undertake a rebuilding and recovery program after a limited first strike on the land was made by Assyria. This rebuilding, replanting, and recovery effort was done without accounting to God in repentance, or giving Him any mind, much as our leaders today have done today. The full strike occurred ten years later in 722 B.C., when the Assyrian Empire invaded Damascus, overran the northern kingdoms' defenses, and exiled almost the entire population to the east, to the cities of Halah and Habor, on the river of Gozan, and in the cities of the Medes. (1Kings 17:6) The Assyrians then resettled the land with Gentiles from Babylon, Cuthah, Avva, Hamath, and Sephar-vaim; who then mingled with what was left of the Israelites to produce what became known as the Samaritans. (2Kings 17:29) The Harbinger breaks the various parts of this judgment down to its elements - nine specific warnings - harbingers - that manifested themselves in the land, and describes according to the summary parts contained within the biblical text as they are described in the vow made by the ancient leaders of Israel and how historically these played out, and their subsequent results. This vow was pivotal to their fate, because in pronouncing it, they unwittingly pronounced their own judgment, which Isaiah uses to prophesy God's judgment on them and the land. The Harbinger then takes the reader to the present and describes in exact detail and precision how the same pattern of judgment has befallen the United States. It documents thoroughly the biblical history contained in Isaiah's prophecy and the prophetic events that are now a matter of public record available regarding the same patterns of warning and judgment that are now repeating in our land today, in the same recurring pattern of warning and judgment as they occurred in ancient Israel. This exact vow that ancient Israel's leaders pronounced has been repeated by three of America's leaders, who while taking part in commemorations of the tragic events of 9/11, tied it directly to those events, and used it primarily as both a consolation to the nation, but also a vow of defiance against its enemies, and pledge to make it the nation's rebuilding, replanting, and recovery efforts. Like Other leaders have repeated the vow in public ceremonies, all connected to the rebuilding efforts at Ground

Zero. And like the ancient Israelites who made this vow unwittingly pronouncing God's judgment on the land, so have our national leaders. The Harbinger describes this and presents also the public records of them for the reader. It presents the historical backdrop to the prophecy made by Isaiah, and describes how it biblically fits the recurring pattern of warning and chastisements that have befallen America since 9/11, including the Second Shaking, what Rabbi Cahn calls, the Isaiah 9:10 Effect; the economic implosion of America's economy and the explosion of its debt, which are being felt right down to our day. This Isaiah 9:10 Effect has been made into a two-part DVD titled The Isaiah 9:10 Judgment, which describes all of the components that comprise it, and how it has come about. America is most assuredly under judgment, and The Harbinger describes how it is being played out. It is not hopeless however, because The Harbinger presents the hope that since these are warnings - harbingers from God - they all indicate that He is trying to get our attention so that God's people may call upon Him in repentance for themselves and their nation, seek His face, and avert the same fate that befell ancient Israel (the northern kingdom) at the hands of the Assyrians in 732 B.C. and 722 B.C., and ancient Judah (the southern kingdom) at the hands of the Babylonians under Nebuchadnezzar in 605 B.C., during the first deportation and in 586 B.C., during the final deportation to Babylon. The Harbinger is a strong call to repentance to God's wayward people in America today as we see the same recurring pattern of warning and judgment - the same harbingers - manifest themselves in our land today. It is a prophetic warning that must be heeded if we are to survive. The Lord is patient and ever ready to forgive our transgressions. He awaits to pardon US if we only seek His forgiveness fully realizing our guilt, confessing it to Him, recognizing how hopeless we are without His mercy, and calling upon His name - the name He has given under heaven to all men by which we must be saved, because as Peter spoke in the Holy Spirit to the Great Sanhedrin (Israel's Supreme Court in his day where civil and religious matters were adjudicated), "He" - meaning the Person of the Messiah, and His name; the name of Jesus - "is the stone which was rejected by you, the builders, but which became the chief corner stone. And there is salvation in no one else; for there is no other name under heaven that has been given among men by which we must be saved." (Acts 4:11-12) This we all must do to avert personal judgment and the corporate judgment of our nation which we and it rightfully deserve. This is why I have written The Truth about The Harbinger: Addressing the Controversy and Discovering the Facts About This Prophetic Message to answer the critics' charges as well as to explain how these warnings - these harbingers have recurred in our land today, and what to do about it. It must be heard and acted upon, our nation's fate hangs in the balance, and we will be held accountable for it.

America was founded on biblical principles and the further away we stray from this principles the morest vulnerable our country will become... this book brought the significance of the 911 attacks into biblical perspective. Very interesting book backed with facts..

Good companion to the original book. It adds useful information to answer questions with Bible verse references. Glad I ordered it.

Gr8 condition! Ya can't as for more. :)

I haven't finished this yet but so far so good. The title is misleading. I thought this was the author's attempt to challenge or discredit Jonathan Cahn's book The Harbinnger. Instead he supports it with additional information. The Harbinger is a very intense subject. Everyone should read this & the companion & study guide.

very good explanation of Johnathan Cahn's book and how real it is
