# Kondi's Secret (Mysteries In Malawi Book 3)

## Synopsis

The Chisale family moves close to Malawi's M1 highway. They're happy until one of Kondi's classmates, Max, forces Kondi to do what he wants. He tells her to deliver a message to a man who wears a red shirt. He will appear at the crossroad near her home at midnight. Max threatens to harm Kezo, Kondi's baby brother, if she refuses—and especially if she tells Bambo and Mai what he's making her do. So she has to help him. In the dark of night, in the dense moon-shadow of a mango tree, she waits with the message for the red-shirted man. Then, much to her surprise, Ulemu, her best friend, walks toward her. What's she doing here? Can Kondi convince Ulemu to help her catch Max in his evil deeds? And will God help her keep baby Kezo safe?

## Customer Reviews

I love the authenticity that Sylvia puts into the Malawi Mysteries. In Kondi's Secret, as in the first two books, I came away with an appreciation for Kondi's way of life, her teachability, and love of family.

Having the glossary in the back with word pronunciations made it enjoyable to discover the African language. It bothered me that Kondi felt she couldn't confide in her parents, especially when she was dismayed and hurt that her best friend wouldn't confide in her. Then, I remembered her age and understood her thought processes, fear and hesitancy. This story provides spiritual lessons in trust that all ages can benefit from. I feel I know Kondi so much better having read the first two in the series. Thank you, Sylvia, for sharing these beautiful stories.

Knowing Sylvia and that she spent many years in Africa gave authenticity to her story. It made me wish that I could go there and visit the places she describes in her book. The story plot is both intriguing and tender; sometimes scary and sometimes comical, woven in the life of a genuine African family and their neighbors. I eagerly await more of Sylvia's African stories.
