Hidden Diary #4: Take A Chance

Synopsis

TWO COMPLETE BOOKS! Book Seven, Take a Chance: Lucy and Serena have to help save the Double C Ranch. When a film crew expresses interest in doing a commercial there, it seems to be the perfect solution to the Double C's money problems. With Lucy and Serena's hard work, the chances of winning the commercial seem high. Right? But Lucy takes a secret, forbidden opportunity to ride a stallion and it turns out to be way more than she bargained for. Will Lucy's impulsiveness ruin everything? Book Eight, One Plus One: When Lucy hears of the upcoming One Plus One rally, she is thrilled about the chance to ride a tandem bike. There is only one problem— all of her friends are riding with their brothers or sisters. Lucy wants to ride in the rally, but more than anything, she wants a brother or sister. She can't exactly expect to find a baby in a basket ... or can she? Each of the four, two-book volumes in this exciting series for girls aged 8-12 includes: fun, friends, family, gentle Christian faith, and a fast-paced read."...Sure to become popular summertime reading for middle-grade girls. Revolving around the theme of best friends and a secret diary, this book has definite girl appeal as Byrd demonstrates her uncanny ability of writing from the heart of an almost-12-year old." Cosby show up at the tree is awesome job in this.

This series is the best in the world! I love the excitement and confidence portraid in the Hidden Diary
series!

my daughter rated it - I loved reading it to her. Some good lessons in the stories - I Would highly
recommend.

My daughter has loved this series. I hate that she is on the last one. Please write more Sandra Byrd

Best book ever! its a really good book. i kept reading and reading it again and again. fives stars for
this!

Loved this book! I can not put it down. It is just so interesting. You should really read this book.

Hidden Diary- Volume 4 Sandra Byrd E-Book Edition Originally Published by Bethany House Christian
Fiction Ages 8-125 Stars In the final episodes of the Hidden Diary Series we find the last two stories
from the original 8 book series, "Take A Chance" and "One Plus One". If you have been following
the reviews I have written on this great set of books for young girls you will relate to the diary that
was found and how two girls became friends and are following the it, trying to duplicate what was
done in the diary. It was written my Serena's grandmother as a young girl and her friend. Now Lucy
and Serena are writing their own together with their accomplishments. Take A Chance has Lucy and
Serena going out to the riding stables, only to learn that it may soon close due to finance problems.
When Lucy hears about a producer that wants to shoot a commercial on a real working ranch she
puts a little bug in his ear and tells him about the Double C ranch. Always wanting to ride a stallion

like the girls in the diary, Lucy takes him out for a ride. In the midst of getting thrown of she lands right in front of the producer who arrived earlier than expected. Through all of what they have worked for will this ruin the chance for the owner of the ranch? One On One is the final episode where Lucy hears about the rally that they hold every year on Catalina Island. One has to ride a tandem bike with a friend. One problem none of the friends she has met this summer will ride with her. They are all riding with their brothers or sisters and she has neither. Even Charlotte the girl she babysits for will not ride with her because of her new baby sister they just adopted. Tired of being a only child, Lucy writes to the adoption agency . The answer she got back was not what she expected. The lady was coming to their house and she had not told her parents what she had done. Can Lucy find away to ride in the rally and also maybe get a brother or a sister? One thing is for sure through both of these stories. Lucy has come to depend on God for answers and has learned that honesty is always the best policy. This is a great set of books that teaches one a great set of family values, trust and faith, along with how to deal with friendships. Its always best to read a book in a series, but these can be read also as a standalones, because each book explains how they became friends and how the diary was found. These will be a great edition to any girls reading library.

This is a great book. It's definitely well-written, and so far had very few grammar mistakes. My one complaint, also the reason I feel it was worth 4 stars, is the slightly different layout. An example is the different writing in the diary, which is almost impossible to read, and was not affected when I attempted to make the font larger.
