Customer Reviews

A great book about a young lady who served as a maid answered an advertisement for a Bride from a young man who had been taken in at the age of ten and trained to do all manner of work for his

benefactor. After the man's death he was undecided as what to do when he wrote for a Bride. After checking the documents for the estate they led back to the lady he had written. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me entertained throughout the entire book before putting it down.

i enjoyed reading the story , it was a little different. i liked that rose did not let the fact she now had money, go to her head. if you have read any of the other books you will like this one. i was given a copy of the book but i am giving an honest review looking forward to the next bool.

I found this story to be a delightful tale of twists and turns to keep a person on their attention till the end.

It was well written and full of a little more mystery than some if the others books. It took 1 1/2 hours for me to read it.
