She intertwines her passion with practical tips in a style that is easy to read, no-nonsense and direct -- as well as creative and compassionate. A few pearls: "If we are asking our clients to be courageous, we must dare to be courageous ourselves. Not fearless. But moving forward in partnership with our fear." "I want you to treat your own sense of joy and fulfillment and delight as a top priority in running your business as a coach." "It is our responsibility to get back on track by choosing our life instead of having it happen to us." "Read it, enjoy it, be inspired by it, and act on it!"
