Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nation's top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

This calendar has features that I really like, e.g., lines in the boxes for the dates, space to write notes and a glance at the yearly calendar. However, I don't like that the calendar does not come with guards or slots to keep the calendar pages in place. This is an important feature for calendars that are used both on a desk (as I use mine) or even hanging on a wall to keep pages from curling up or flying away. I would send the calendar back, but for the price it's not worth the hassle. A friend of mine is going to buy it from me and place on her wall in her office. I ended up buying a generic

desk pad calendar -- with the edge guards -- at Office Depot in town. It's not as pretty, but it's more functional for my purposes.

I bought this one because it has lines in each box. Not to mention it's super cute. Just put it up in my classroom for the year and couldn't be happier. Best one I've found in 6 years.

Exactly what I was looking for! Simple, clean looking, and cute. Great size and I love the space for notes. Great buy!

TF Publishing is the seller AND the reviewer.

Wonderful

This desk pad makes my office so fashionable and fun! I love love love the Kraft with the bold colors each month. The boxes each day are nice and large to write in and the paper doesn't bleed thru like others I've had. I'll buy again for sure!!!
