Bible Journaling - Trusting In God

Synopsis

Christians searching for new ways to deepen their connection to God have embraced the practice of Bible journaling in their study bibles and, in many cases, in special journaling bibles purchased for this purpose. Bible journaling has become an increasingly important way to pause and reflect on Scripture while exploring creativity. Trusting in God includes an inspiring peek at the personal Bible of journaler Anita C. Haines, and she also shares motivating insights on her personal study experiences. Packed with literally hundreds of pieces of art including traceables, vellums, and stickers all created in Anita's vibrant signature style, this handy booklet is a perfect resource for experienced and new journalers alike. Every Bible journaler can use the lettering and images provided by Anita to create custom pages that reflect their own spiritual growth.
