Fancy Nancy: Nancy Clancy, Star Of Stage And Screen

Synopsis

For young readers who grew up with the bestselling picture books, Nancy Clancy stars in her own chapter books! Nancy Clancy is ready for her close-up in the fifth installment in the Nancy Clancy chapter book series by New York Times bestselling team Jane O'Connor and Robin Preiss Glasser! It's Nancy's time to shine as she takes center stage in the school play! There's no way Nancy will get stuck in the chorus again this year! She's been practicing guitar for months and her audition was superb. So when Nancy gets a callback, she's overwhelmed with joy! But after Nancy's performance during the play is captured on video and gets posted on YouTube, it seems her stardom has gone viral. Will Nancy's humiliation get the best of her, or will she find a way to embrace her newfound fame? Fans will enjoy watching Nancy sparkle in the spotlight!

Customer Reviews

It looks as if Nancy Clancy will be taking center stage in the third-grade variety show. She's been practicing guitar for months and her audition is superb, so for once she won't get stuck in the chorus. Of course the road to stardom is often bumpy and on the day of the show when her performance goes viral, she is not exactly overjoyed. Can Nancy handle the humiliation of millions

seeing her blooper? Will she find a way to embrace her newfound fame?

Jane O'Connor is an editor at a major publishing house who has written more than seventy books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. Robin Preiss Glasser actually wore tiaras and tutus when she danced with the Pennsylvania Ballet. Now she happily spends her days in jeans, drawing. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California.

Oh, what a wonderful book for children. So many lessons to be learned. The author, Jane O'Connor, has written a book that almost any school child can relate. Nancy Clancy is pretty well known to many children because of the book series. In this book, Nancy Clancy is in the third grade, and she has always wanted to be on stage, to be famous. It turns out the third grade, of which she is a member, has a school play. This year it is called The Nifty Fifty, a play on the 50 states. Today was the audition, and Nancy is going to play her guitar. She has been taking lessons. Her best friend Bree is going to tap dance, and Nancy's friend, Grace, who is jealous of Nancy will sing. Who will be asked to come back, or a call back. This means you have been picked to be part of the play. Once you have read this book, you will appreciate the work and worry it takes to be in a play. The illustrations by Robin Preiss Glasser, are done in black and white, and they portray all of the activities of Nancy, Bree, Grace, JoJo, Nancy's little sister, her mother and father, and all her school mates. If a parent/teacher is reading this book to their children, they will enjoy the lessons learned and the storyline. All children, it seems has someone who might bully them or make them feel bad. This is a good time to discuss those kind of things that may occur at school. The writing is wonderfully suited for children and adults. New words are introduced, and a word is described so that the meaning is clear. I enjoyed the storyline a great deal, it was full of truths and wisdom. Highly Recommended. prisrob 04-03-15

****This review is for all Nancy Clancy chapter books currently available****We purchased the entire set for my daughter's 8th birthday and I could not be happier! The plotlines are fun, the sentences are easy to work through while still providing an expanded vocabulary to improve reading level, and the chapters are a good length for working through a few each night. My daughter loved the Fancy Nancy first readers and was so excited there was a chapter book version! 10/10 Highly recommend!

I gave this book to my darling eight-year old niece who told me she just loved it. I sent it to her, and she called me and told me the day she received it, she was already on Chapter 3, and still ardently reading it. The title "Fancy Nancy: Nancy Clancy" attracted me, and I felt my niece would enjoy this book, and I was right. I will continue to buy the "Nancy Clancy" series for my niece.

My 6 & 7 year old girls love all the Fancy Nancy books. This one was enjoyable to read.

A gift for a special little girl who loves to read. She was delighted.

Bought as a gift.

"Star of Stage and Screen" taught fun life lessons!

It was a really great book, I really liked it. I'm glad everything turned out for Nancy in the end. I'm excited to read the next one, because it was a very nice book. Written by my seven year old daughter.
