## Customer Reviews

"David Limbaugh's *The True Jesus* is a worthy successor to his bestselling book *The Emmaus Code*. The latter exposed a generation to how the Old Testament reveals Christ. Now *The True Jesus* directs attention to the Jesus of the Gospels, in His full humanity and deity. Limbaugh's presentation is tactical, yet forthright. He carefully blends the four portraits of Jesus in Matthew, Mark, Luke, and John into a single streamlined, coherent narrative, free from academic distraction and jargon. The result is that the Gospels are allowed to speak for themselves. If you've wondered whether media portrayals of Jesus are dishonest, or found reading four seemingly disparate versions of the life of Jesus a little bewildering, or if you know nothing about Jesus at all, *The True Jesus* is precisely what you need." — Dr. Michael S. Heiser, Scholar-in-Residence, Faithlife / Logos Bible Software, author of *The Unseen Realm: Recovering the Supernatural Worldview of the Bible*, and host of the *Naked Bible Podcast*

David Limbaugh is a lawyer, nationally syndicated columnist with *Creators Syndicate*, political commentator, and author of seven *New York Times* bestsellers including *The Emmaus Code* and the #1 bestseller *Crimes Against Liberty*. The brother of radio talk show host Rush Limbaugh, he lives in Cape Girardeau, Missouri, with his wife and children. Follow him on Twitter:

@DavidLimbaugh.

How could an ancient carpenter from the tiny town of Nazareth be the most influential human being to ever walk the earth? Who was Jesus and how does His life affect yours? Like a captivating tour guide, David Limbaugh leads you through the brilliant and sacrificial life of Jesus of Nazareth and inspires you to connect your life with the Savior—“the true Jesus. There are few books better about life’s most important topic!

“The True Jesus” is the type of book that I wish I had had access to during the years when I was seeking answers. It provides a clear, concise and historical view of the Gospels and the divinity of Jesus Christ. David Limbaugh has combined the four books of the Gospels into a single narrative to tell the life and ministry of Jesus. The book flows well though the notes and quotes, while backing up the next, do break the flow from time to time. I appreciate that Mr. Limbaugh has included the history of Israel during the period between the end of the Old Testament and the beginning of the New Testament (the intertestamental period) and that of the years of the early Church. I have studied the Bible over the years but have never focused on the period which is not covered in it nor of the beginnings of the Church itself. Mr. Limbaugh’s history of these periods are informative, interesting, and helped explain the social and historical context of the time in which Jesus was born, ministered, died and was resurrected as well as the time in which the Church began and grew. For me, reading has always been how I seek information and books which answer my questions are ones that I appreciate the most. “The True Jesus” is just the type of book that I will want to keep on hand and provide to others who are asking and seeking answers. My personal copy is on a Kindle as I appreciate being able to change the font size and to add audible narration to it; however, I like to purchase and gift hardcover and paperback books to others. I have not read Mr. Limbaugh’s other books but I will certainly be seeking them out. I’m reminded so much of Lee Strobel’s “The Case for Christ”, not that these books are duplicative in nature but rather they are similar in subject and in the clear cut and modern voice in which they are written. It doesn’t take a theological background in order to read and understand this book. It takes an open mind and a seeking heart.

Very interesting to note that as of this writing Mr. Limbaugh’s book has only 3 reviews, while the book sales are at the top of three categories at . Really? I thoroughly enjoyed the read, found it extremely informative, thoughtful and very engaging. I would humbly recommend Mr. Limbaugh’s

to come to anyone who seeks to deepen an understanding of Christ, Lord and Savior.

The True Jesus By W E Johnson I just started reading the book. I have read through the Bible three times in my 73 years. David's book is like having someone read the Bible to you, but explain all of it, like a gentle easy going friend.

I didn't know the "intertestamental" history. I'm enjoying what I'm learning. It is written with great detail, and it is easily readable and understandable.

I was glad to find this book as I had been looking for a work that tied the four gospels together and offered a chronological narrative of Jesus' ministry. This narrative flows easily. The author provides many expert analyses of events and interpretations of the Lord's teachings. Highly recommended as an introduction to the gospels.

I was surprised how renewed my faith was during and after reading this book. I didn't realize doubts had crept in, but they had. Reading this solidified so much about the faith I say I have, but sometimes wonder if I really have. I'm keeping it active on my Kindle so I can go back from time to time and remember "who I say He is" because that's who He really is.

Well written and easy to understand....Limbaugh's books move along and don't bog you down....I've read his "The Emmaus Code," another great read.....after reading this one I have his "Jesus on Trial" ready to read.....I always considered myself a slow reader but with David Limbaugh's books I'm zipping through them
