Ballet (World Of Dance (Chelsea House Hardcover))

Synopsis

One of the most formal and demanding genres of dance, ballet has enthralled audiences with its grace, precision, and remarkable feats of dexterity. Its early roots can be traced back to the 16th century, when court dances were performed for Italian and French royalty. After spreading throughout Europe, ballet flourished in 19th-century Russia, the home of some of the world's greatest dancers and choreographers. Once these dancers traveled to America in the 20th century, ballet began to evolve as the style came in contact with the burgeoning modern dance movement. In this revised edition of Ballet, readers will learn how this precise dance form has evolved throughout the centuries through colorful photographs and illustrations and engaging text.

Book Information

Series: World of Dance (Chelsea House Hardcover)

Library Binding: 119 pages

Publisher: Chelsea House Publications; 2nd ed. edition (February 1, 2010)

Language: English

ISBN-10: 1604134798

ISBN-13: 978-1604134797

Customer Reviews

The book is small but full of both historical aspects of classical ballet and new techniques demanded by current day choreographers. An excellent book for teens as well as adults. An easy read with fine illustrations.
