## Synopsis

Only on audio! A brand-new, never-before-published Stephen King short story unavailable in any other format! Alden McCausland and his mother are what they call a "coincident rich"; thanks to an unexpected life-insurance policy payout and a winning Big Maine Millions scratcher, Alden and his Ma are able to spend their summers down by Lake Abenaki, idly drinking their days away in a three-room cabin with an old dock and a lick of a beach. Across the lake, they can see what a "real rich" looks like: the Massimo family's Twelve Pines Camp, the big white mansion with guest house and tennis court that Alden's Ma says is paid for by "ill-gotten gains" courtesy of Massimo Construction. When Alden's holiday-weekend sparklers and firecrackers set off what over the next few years comes to be known as the Fourth of July Arms Race, he learns how far he and the Massimos will go to win an annual neighborly rivalry "one that lands Alden in the Castle County jail. Read by beloved Down East storyteller Tim Sample "praised by Stephen King for his wit and talent and good-heartedness" "Drunken Fireworks makes for explosive audio listening.

Bought it as a gift for someone and he said it was good (and funny, which is weird considering this is from Stephen King).

It was excellent

Listened to this on a road trip. Great story and enjoyable for everyone. Not the "horror" story everyone expects from Stephen King. I loved the narrator's voice. He gave character to each person.

STEPHEN KING IS MY FAVORITE WRITER. IN FACT HE IS THE ONLY AUTHOR I READ. IT WAS THE FIRST BOOK I EVER LISTENED TO INSTEAD OF READING. THE NARRATOR WAS GREAT HE REALLY MADE IT SEEM REAL!

I am an absolute fanatic Stephen King fan!! this is a must have for any collector or anyone. perfect for listening to on a drive in the car. funny, strang, and a great story!

This was an ok Stephen King book, but he's had better. The seller was awesome: item as described, quick delivery. Will order from again.

With Stephen King it's always hit or miss. In this case the story was a hit and surprisingly funny. for a short story I would highly recommend it.

Loved the story and the reader.
