Toddlers' lives are filled with important "firsts" as they learn and grow by leaps and bounds! That's why Gold 'n' Honey has created a captivating "first Word" specifically designed to match the interests and learning habits of boys and girls ages 1 to 3. Highlights include: - fast-paced Bible stories told from an easy-to-follow, first-person perspective ("Hi, I'm Moses!") - fun Bible characters depicted with wide eyes and expressive faces children love - clear, simple text with an average of 10 large-print words per page - repetition of ideas, words and phrasing patterns - tips to help parents discuss biblical concepts with very young children - and much, much more! Brought to you by the publishers of the best-selling Rhyme Bible, because The First Step is the most important step of all.

We used this bible for both of our children. It's great for ages 2-4. My son loved it so much he memorized nearly all of the stories and would "read" them to himself on the toilet. Priceless. We enjoyed the first person narrative form and the cute, simple pictures. Great kids bible.

This is a great book. I'm actually using it for adults who are learning English.

I read this to my kids every night before bed, over and over from start to finish from the time they were born until they were 3-4---they never got tired of the stories, and I never got tired of the way God's love was portrayed so clearly for little ones.

I bought this bible for my daughter 20 years ago for her 1st birthday. I wanted to buy a children's bible for a friend's daughter on her first birthday recently so I looked at the choices offered at a Christian bookstore. I was disappointed when I could not find The First Step Bible. I was able to find it on Amazon and was delighted. This First Step Bible is so simple yet conveys the stories of the Bible beautifully. Perfect for kids to understand and learn about God.

Great young child's bible story book. Simple with colorful pictures! My grandson enjoys it!

This Bible is great for young children. The stories are simply presented. I use it as a part of nursery lessons I prepare for two and three year olds.

My family has loved this Bible. My kids, even my oldest who is 18, still remembers reading this Bible. It even helped me as I did bible studies. I would remember the simple stories from this bible. The repetition in this book is also great for emerging readers. It helps them feel successful as they are learning to read. Ex.: and God said, "it is good." is repeated throughout the creation story. We loved this bible and I would highly recommend it for all families to have. Need a baby gift? It is perfect for that or for a gift for the sibling.

My girlfriend gave this to my daughter when she was baptized. We read it for years. My daughter loved it, and had part of it memorized at 2 years old (cause I had to read it to her so many times). Bought many of them over the years for gifts for other babies.
